

NuLIDS Daily System

Home Use Eyelid Hygiene System

Product Overview

The NuLIDS Daily System is an easy-to-use, handheld device for patients to perform eyelid hygiene at home. It complements in-office treatments by maintaining meibomian gland function and alleviating dry eye symptoms with just one minute of daily use.

Key Features

- **Daily Maintenance:** Maintains the benefits of in-office treatments.
- **Easy to Use:** Simple one-minute daily routine for patients.
- **Gentle & Effective:** Oscillating soft tip ensures safe and comfortable cleaning.
- **Rechargeable:** Long-lasting battery for convenient home use.
