

## NuLIDS PRO System

### Professional Eyelid Hygiene System

#### Product Overview

The NuLIDS PRO System is a professional-grade eyelid hygiene device designed for in-office treatment of dry eye disease and blepharitis. It utilizes a patented oscillating soft tip to gently exfoliate the eyelid margins and stimulate Meibomian glands, improving tear film stability and patient comfort.

#### Key Features

- **Clinical Efficacy:** Proven to reduce signs and symptoms of dry eye and blepharitis.
- **Oscillating Technology:** Gentle mechanical debridement of collarettes and biofilm.
- **In-Office Protocol:** Designed for clinician administration as a standalone treatment or preparatory step.
- **Patient Comfort:** Soothing massage action improves patient acceptance and compliance.
